

### **Soirée FCA – A successful Starlight Ball!**

Last Saturday, 16 members were awarded the prestigious FCA title in recognition of their exceptional contribution to the profession and their communities.

Over 200 guests gathered at the Hyatt Regency Montreal to pay tribute to a colleague, friend or family member during an impressive ceremony hosted by actress Sophie Faucher.

Ordre chair Alain Côté, FCA, praised the new FCAs as follows: “Dynamic, committed and competent are words that best describe FCAs and, as such, each of them has made a unique contribution to their profession and community.”

Since 1983, only a few CAs out of the Ordre’s now close to 17,800 members are awarded the prestigious title of Fellow Chartered Accountant each year in Quebec. “We continue the tradition by officially welcoming these new FCAs to this elite group. They are now models of excellence for us all!” commented Daniel McMahon, FCA, President and CEO of the Ordre.
