Foundation of Quebec CAs golf tournament raises \$20,000

The first golf tournament benefiting the Foundation of Quebec CAs was held on September 12, 2003, as part of the Ordre's 2003 Conference. The event attracted 144 golfers and allowed the Foundation to raise over \$20,000.

The beautiful weather and the magnificent view of the St. Lawrence from the Manoir Richelieu golf course made this first tournament a resounding success.

Participants were awarded many prizes during the dinner that followed the tournament. The team made up of Marie-Josée Blanchette, CA, Patrick Cyr, CA, Jean Morency and Lyne Whittom won the title of Best foursome – Vegas formula.

In addition, Claire Garneau, guest of Jean Audet, CA, won a beautiful painting by Yvon St-Aubin. Mr. St-Aubin is a well-known artist whose paintings are on display in a Baie-Saint-Paul art gallery.

Foundation Chair Alistair Duff, FCA and all of the Board members would like to thank *CAMagazine*, Robert Half Management Resources, Groupe Pro-Fusion, La Capitale – location lutex inc. division, as well as the many other partners who made this event possible.

Julie Peloquin, CA, Education and Recruitment Counsellor at the Ordre, Claire Garneau, winner of the painting, and Yvon St-Aubin, painter.
