## CA's unite for the next generation

**On Monday, June 7, 2004, more than 250 CA's and colleagues attended the advance showing of *Fiddler on the Roof* at the Saidye Bronfman Arts Centre in Montreal presented by the Foundation of Quebec CA's.**

Alain Paris, FCA, Foundation Vice-chair, with Marie-Josée Hamel and Julie Péloquin, CA, organizers of the event.

This major musical comedy performed by the Dora Wasserman Yiddish Theater group features a cast of over 40 singers and actors. The play runs until June 27, 2004.

This first cultural activity to benefit the Foundation not only drew a full house, but was also a financial success as close to \$30,000 was collected. All the profits from the event will go towards scholarships for students wishing to obtain the CA designation.

At a cocktail reception before the play, Foundation Chair Alistair Duff, FCA, thanked Gérard Caron, FCA, Philip Friedman, FCA, CA•IFA, and Morton Katz, MBA, FCA, for making the event possible.

Mr. Duff also thanked all the partners who made the evening a success, including Ernst & Young, KPMG, PricewaterhouseCoopers, RSM Richter and Samson Bélair/Deloitte & Touche.

The primary objective of the Foundation of Quebec Chartered Accountants is to contribute to the advancement of education in the various fields of expertise of the CA profession and to promote academic excellence by awarding scholarships to students at the high school, CEGEP and university levels.
