The Foundation of Quebec CAs Golf Tournament raises over \$13,000

On September 24, 2004, the second golf tournament of the Foundation of Quebec CAs was held in collaboration with the Montreal CA Group. The event attracted close to 140 golfers and allowed the Foundation to raise over \$13,000, which will go towards scholarships for students wishing to obtain the CA designation.

The ideal weather and magnificent Lachute Golf Club course helped make this second tournament a great success.

Participants were awarded many prizes during the dinner that followed the tournament. Lyne Vaillancourt, vice-president, Affinity Marketing with TD Insurance Home and Auto, presented a basket of barbecue musts to Pierre Brochu, FCA, president and CEO of Radical Horizon.

In addition, the team made up of Michel Bergeron, CA, Yvon Dupuis, CA, André Lopresti, CA and David Paradis, CA, won the title of best foursome - Vegas formula. Congratulations!
